	identifyin	g				3.40							

25X6

- 2. Views of Tockoje, a military camp in the Kuibishev district. (1941-42)
  - (a) Tents
  - (b) Wash room, showing the method of distributing water by hand through a crude suspended pipe in an orchard
  - (c) Gate and guards
  - (d) Soldiers hauling firewood over snow in a cart
  - (e) Snow-covered tent
  - (f) Soldiers and tents in snow
  - (g) Soldiers carrying barrel of hot soup through snow
  - (h) Polish soldiers training with wooden field piece. The Soviets claimed then and have claimed that the Polish soldiers would not fight. This picture is significant in that it shows the type weapon given to the Polish soldiers by the Soviets.
- 3. Polish soldiers eating in Kitab-Shahriziabs, a spot about 70 mi south of Samarkand. (1942).
- 4. Soviet women attending mass held in a Polish camp. This was at a time when religious observances were frowned upon. (1942)
- 5. Polish soldier driving a horse and cart. Soviet peasants are staring at the hat on the horse's head, surprised that Poles took such care of their animals. (1942)
